

DHL SAMEDAY

SOLUTIONS FOR EMERGENCY SITUATIONS

No matter what business you're in, emergencies happen. And that's when you need a partner you can trust. Whether it's urgent delivery of a spare part, a signed contract, a medical supply or relocation of inventory to meet an order, DHL SameDay is there to keep your business running.

Since 1977 DHL SameDay has provided time critical solutions that have delivered a competitive edge. By selecting DHL, its global network, partnerships and specialist teams, we offer more than just a fast route for your shipment, but the fastest door-to-door solution.

Select from DHL SameDay Jetline, DHL SameDay Speedline or DHL SameDay Sprintline to meet your emergency shipment's delivery needs.

SOLUTIONS THAT CAN FIX YOUR EMERGENCY SITUATION

PRODUCT

**DHL SameDay Jetline
Unaccompanied shipment**
Direct flights* worldwide using the next flight out.

**DHL SameDay Jetline
Personally accompanied shipment**
Delivery by air: helicopter, private jet, charter or commercial flight.

DHL SameDay Speedline
Direct flights* worldwide using the most suitable flight available.

DHL SameDay Sprintline
Urgent delivery by road.

EXAMPLE SITUATION

No matter what the distance, DHL SameDay Jetline reaches all parts of the globe in the shortest possible time with its next flight out approach.

When you need the highest protection for your high value emergency shipment, choose our accompanied 'secure' option. We will provide you a charter service, by plane or even helicopter. For smaller shipments, a dedicated onboard courier will be hired.

When you have an emergency situation and can better plan the delivery schedule to gain a more competitive logistics cost then DHL SameDay Speedline is the right choice.

When there's a short distance between origin and destination and it's too close to fly, typically for transportation across country or within the same region or city, DHL SameDay Sprintline loses no time to deliver.
