SMARTMAIL BOUND PRINTED MATTER

Do you send marketing or editorial materials? Does your business distribute publications or manuals? Are these items stapled, glued, stitched or spiral-bound? If one or several together weigh under 15 lbs., they qualify to be shipped as DHL SmartMail Bound Printed Matter.

Rely on the power of our nationwide network.

DHL SmartMail Bound Printed Matter™ is a full-service mail solution with a quality controlled process that moves your items with precision. After picking up your materials, we sort and process them at one of our nationwide distribution centers, transfer them to the destination postal facility and insert them deep into the postal stream. This efficient process allows for greater control and visibility.
